Database Update Guide

To check if you are running the latest version of the database, please open the Thorlux Catalogue.
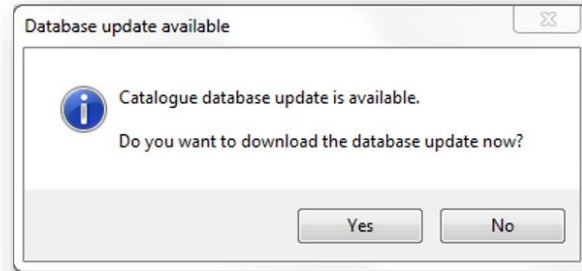

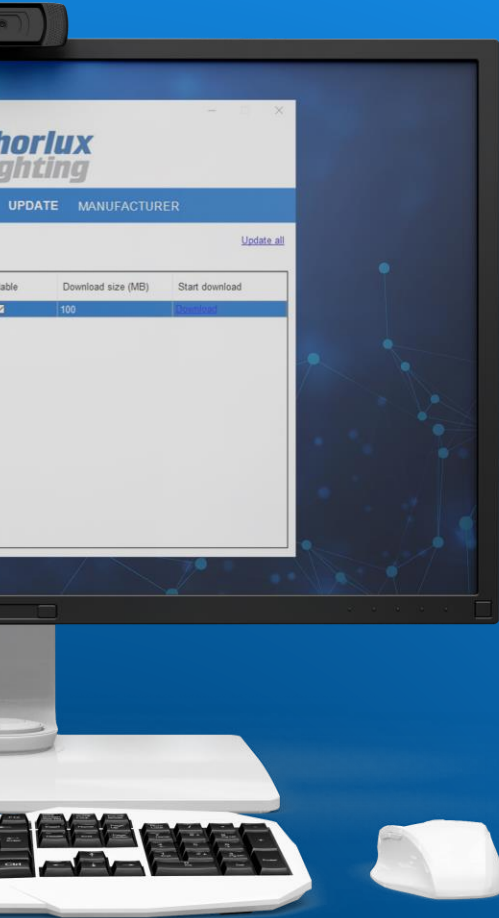

If an exclamation mark is displayed within the 'update' tab, this means a newer version of the database is available.
To update, click on the 'update' tab.

To start the update, click on the 'Download' link.

This message box will appear, click 'Yes'.

The status box will show the download progress.

Once downloaded this box will appear, click 'Yes'.

When finished
the database will
automatically
open and the
process is
complete.
